

Highlights

- Adjustment range
24-481-003: 33.5-48.5" (85-123 cm)
24-547-003: 29-44" (73,7-111,8 cm)
- No need for school staff to make adjustments before, during or after school hours
- Locking casters: easily roll LearnFit desks to quickly reconfigure classrooms for small group collaborative breakouts; easily return to full classroom configuration when done
- Generous worksurface maximizes collaboration and includes built in cup holder, tablet stand pocket and pencil tray
- Exclusive patent-pending PrecisionHeight™ Technology is utilized for fluid one-touch height adjustment
- Backpack hook included
- Optional storage basket holds class supplies
- Assembles in less than 60 seconds, no tools required

ERGOTRON®

LearnFit® Adjustable Standing Desk LearnFit Sit-Stand Desk

Transform classrooms into active learning environments with on-demand height-adjustable student desks

LearnFit promotes healthy student behavior and classroom engagement that leads to physical and academic performance. Each student instantly and intuitively personalizes the desk to his or her preferred height using the hand lever; collaboration becomes a natural flow with the mobile casters.

Research Relating to Standing Desks in Classrooms

- **Health benefits** – Standing more during day increases circulation, burns more calories, and helps maintain muscle tone and insulin effectiveness: Buckley et al, 2013 | Duvivier et al, 2013
- **Classroom performance** – Greater student focus and engagement is achieved with introduction of stand-biased desks: Benden et al, 2011
- **Academic performance** – A positive correlation is shown between physical activity and test scores: Institute of Medicine, 2013 (further reading) | Centers for Disease Control & Prevention, 2010
