

## Universal Tablet Desk Stand - Wall Mountable

Product ID: ARMTBLTDT

Integrate your iPad or other tablet seamlessly into your workspace, with this universal tablet stand. Move the tablet arm up or down, and rotate the tablet to adjust your viewing position instantly. The tablet stand rests securely on your desk, or you can mount it to a wall, or on the underneath surface of a cabinet or cupboard.

### **Maximize your tablet use**

With this highly adjustable tablet stand, you can maximize use of your tablet without having to hold it in your hand or place it down on your desk.

### **Change your viewing angle with ease**

Simply move the tablet arm up or down, with its two movable joints, to position your tablet at the perfect height. The tablet arm pivots  $0^\circ / +170^\circ$  at the base and  $-40^\circ / +180^\circ$  at the elbow, to allow easy adjustment of the tablet positioning. Switch easily from portrait to landscape position, with  $360^\circ$  rotation.

## **Hassle-free installation**

The clamp spreads apart easily to hold a tablet or phone from 4.7" to 12.9" in size, and up to 1 kg (2.2 lb.) in weight. With its large base, the tablet stand rests securely on your desk, counter or other flat surface. A smaller base is also included, which lets you mount the tablet stand to a wall, or on the bottom surface of a work cabinet or kitchen cupboard, for a wide range of applications.

The ARMTBLTDT is backed by a 2-year StarTech.com warranty and free lifetime technical support.

### Certifications, Reports and Compatibility

### Applications

- Mount a tablet on a stand at your office workstation, to run secondary applications that support your work
- Wall-mount your tablet in a work environment, to view applications or reference material
- Put the tablet stand on your kitchen counter, or mount it under a cupboard, to view recipes or instructions without having to hold your tablet
