

## Dual Monitor Arm for Kensington® SmartFit® Sit/Stand Workstation

Use Two Screens for Professional Productivity

K55759WW

### Product Description

Take productivity to a professional level by adding a dual monitor arm to your SmartFit® Sit/Stand Workstation. Studies have shown using two monitors can have a dramatic effect on workflow. With dual monitors on your workstation, not only are you getting the ergonomic and health benefits of standing while you work, you're also getting a lot more work done. Our patented SmartFit System lets you find your personal comfort color to set the monitors at the ideal viewing height, plus the arm installs quickly to your Sit/Stand workstation and is VESA-compatible for monitor screens up to 24 inches.

### Features

- Adjustable dual mounts allows you to slide the monitors left and right along both sides of the arm for a better fit
- Ideal with monitors featuring either the 75mm or 100mm VESA configuration
- Easy installation that takes only a few minutes
- Compatible with monitors up to 24" (Max weight of 22.5 lbs. for monitors and items on platforms)

### Product information
