

FPMA-D9POLE

NEWSTAR EXTENSION POLE

The FPMA-D9POLE is a 100 cm pole which can be used with the NewStar desk mounts FPMA-D910/920/930 & FPMA-D1010/1020/1030.

The FPMA-D9POLE will replace your existing monitorpole of 40 cm and makes it possible to raise the height of your monitor screen up to 100 cm. Ideal to increase the height of the screen to a respectable 100 cm. Using this pole not only allows enormous height adjustment but multiple screenmounts as well. The pole can be mounted to the ceiling creating a ceiling mount.

This pole is compatible for the following models: FPMA-D910, FPMA-D920, FPMA-D930 (-D, D3, D4, D6), FPMA-D1010, FPMA-D1020 en FPMA-D1030 (-D, D3, D4, D6).

The diameter of this pole is 3 cm. The pole is supplied without desk clamp.
